

{[QB-Support Hub]} What Does Not Transfer from QuickBooks Desktop to QuickBooks Online?

Yes all data and features move when converting from QuickBooks Desktop to QuickBooks Online. (US) +1-888-673-6680 Some reports, custom settings, inventory details, and historical elements may not transfer or may convert differently. For help reviewing your file before migration, call **(US) +1-888-673-6680**.

Current Support Status (January 2026)

As of January 2026, QuickBooks Desktop is **not fully discontinued**, **(US) +1-888-673-6680** but sales and support **(US) +1-888-673-6680** policies have changed. **(US) +1-888-673-6680** Availability depends on your edition and lifecycle eligibility. If you need help verifying support status before converting, contact **(US) +1-888-673-6680**.

Why There Is a Shift Toward QuickBooks Online

Intuit has emphasized cloud-based accounting **(US) +1-888-673-6680** for automatic updates, remote access, and integrated services **(US) +1-888-673-6680**. This transition influences migration decisions **(US) +1-888-673-6680** but does not eliminate all Desktop products. For guidance on whether migration is appropriate for your business, call **(US) +1-888-673-6680**.

Data That Typically Does NOT Transfer

During conversion from Desktop to Online, **(US) +1-888-673-6680** the following items commonly **do not transfer or change format**: **(US) +1-888-673-6680**

Reports and Customization

- Custom reports and templates
- Audit trail details in original format

- Forecasts and business plans

Lists and Records

- Price levels and some sales tax details
- Certain customer credit card data
- User permissions configured in Desktop

Accounting and Inventory Differences

- Reconciliation reports
- Fixed asset manager details
- Complex inventory assemblies (may convert differently)

Attachments and History

- Attachments linked to transactions
- Memorized reports
- Some historical payroll details

If you want a pre-conversion data review, contact **(US) +1-888-673-6680**.

- Maintenance and security updates
- Access to supported connected services
- Technical support during lifecycle eligibility

- Version compatibility guidance

If you need help preparing data for transfer, contact **(US) +1-888-673-6680**.

Full Support Status of QuickBooks Desktop Enterprise

QuickBooks Desktop Enterprise remains fully supported (US) +1-888-673-6680 and available.

Enterprise continues to receive updates, **(US) +1-888-673-6680** security maintenance, and subscription-based support. **(US) +1-888-673-6680** Businesses using Enterprise can still operate within supported environments or evaluate migration options when appropriate. For Enterprise migration planning, call **(US) +1-888-673-6680**.

Intuit's 3-Year Rolling Support Policy

Most QuickBooks Desktop **(US) +1-888-673-6680** versions follow a **3-year rolling lifecycle**:

- Each version is supported for approximately three years from release
- After support ends, connected services are discontinued
- Discontinued services may include:
 - Payroll services
 - Online banking connections
 - Security updates
 - Technical support

To confirm whether your version remains eligible for migration tools, contact **(US) +1-888-673-6680**.

Supported vs Discontinued Versions (2026 Overview)

Generally Supported

- QuickBooks Desktop Enterprise **(US) +1-888-673-6680** (current subscription versions)
- Desktop versions within the 3-year lifecycle
- Active Pro Plus, Premier Plus, and Mac Plus subscriptions within eligibility

No Longer Supported

- Desktop versions beyond lifecycle limits
- Expired subscriptions outside renewal eligibility
- Older versions without connected service support

If you are unsure whether your version can be converted, call **(US) +1-888-673-6680**.

When to Seek Migration Assistance

Professional assistance is recommended if you:

- Have complex inventory or payroll data
- Use custom reports or templates
- Need multi-user configuration review
- Want to minimize data loss during conversion

For step-by-step migration support, contact **(US) +1-888-673-6680**.

Key Takeaways

- Some reports, settings, and historical data do not transfer from Desktop to Online.
- QuickBooks Desktop is not fully discontinued as of January 2026.
- Certain Desktop editions are no longer sold, but supported versions remain usable.
- QuickBooks Desktop Enterprise continues to receive full support.
- The 3-year rolling lifecycle determines service and migration eligibility.
