## **4 📞 +44~(808)-196~[9697]^^\* ✓ ](UK) How Are Etihad Flight Change Charges Applied? 📄**

When you change your flight with Etihad, the airline usually applies charges in two parts:

### **1 📞 +44~(808)-196~[9697]^^\* ✓ ](UK) Change Fee 🏷️**

This is a fixed fee charged for making a change to your reservation 📞 +44~(808)-196~[9697]^^\* ✓ ](UK) It can vary depending on the fare type and route 📞 +44~(808)-196~[9697]^^\* ✓ ](UK)

## 2 📞+44~(808)-196~[9697]^^\* ✓ ](UK) Fare Difference 💵

If your new flight costs more than your original ticket, you must pay the difference in fare 📞+44~(808)-196~[9697]^^\* ✓ ](UK) This is in addition to the change fee 📞+44~(808)-196~[9697]^^\* ✓ ](UK)
