# BodyCode Keto Program Capsules Australia (Chemist Warehouse)

## What is BodyCode Keto Program?

BodyCode Keto Program is a premium keto support supplement designed to help your body enter and maintain **ketosis**, a metabolic state where fat is burned for energy instead of carbohydrates.

It is specially formulated for people following a **low-carb or ketogenic lifestyle**, helping them accelerate fat loss, boost energy, and control cravings more effectively.

## How Does BodyCode Keto Work?

BodyCode Keto Program works by supplying **exogenous ketones and slimming salts** that support the body in switching from carb-burning mode to fat-burning mode.

### Process:

- **Step 1:** Helps kickstart ketosis faster
- **Step 2:** Encourages the body to burn stored fat for fuel
- **Step 3:** Maintains energy levels and reduces fatigue

This makes your weight loss journey smoother and more consistent.

# Key Benefits

✔ Supports faster fat burning
✔ Helps reduce cravings and appetite
✔ Boosts daily energy levels
✔ Supports mental clarity and focus
✔ Helps avoid keto flu symptoms
✔ Promotes metabolic efficiency

Many users report better energy, reduced snacking, and improved focus when using keto supplements consistently.

# Ingredients (General Keto Formula)

BodyCode Keto typically includes:

- BHB Ketones (Beta-Hydroxybutyrate)
- MCT Oil
- Electrolytes (Magnesium, Potassium, Sodium)
- Natural plant extracts

These ingredients help support **fat metabolism, hydration, and energy balance**.

# How to Use

- Take **2 capsules daily** with water
- Best taken in the morning or before meals
- For better results, combine with a **low-carb or keto diet**

# Who Can Use It?

✔ Men & Women
✔ Beginners in keto diet
✔ People struggling with weight loss
✔ Those facing low energy or cravings

# Is It Available on Chemist Warehouse Australia?

⚠️ Important:
BodyCode Keto Program is **NOT officially listed on Chemist Warehouse website** like popular products such as keto accelerators or fat burners.

Most listings claiming "Chemist Warehouse" are **marketing funnels or unofficial pages**, not direct pharmacy listings.

👉 Example: Real keto supplements sold there include products with ingredients like MCT, caffeine, and L-carnitine for fat metabolism support.

# Possible Side Effects

Generally safe, but some users may experience:

- Mild digestive changes
- Headache (initial phase)
- Electrolyte imbalance (if not hydrated)

👉 Always consult a healthcare professional before use.

# Final Verdict

BodyCode Keto Program is marketed as a **keto support supplement** that may help:

- Boost fat loss
- Improve energy
- Control cravings

However, results depend on **diet, lifestyle, and consistency**. It works best when combined with a proper keto plan—not as a magic pill.
