

MEPCO Bill

In this modern era, electricity has become an integral part of everyone's life. Everyone uses electricity. To manage this huge demand of electricity in Pakistan, the government has established companies.

These companies supply electricity to the consumers, and for this electricity consumption they charge electricity bills. One of these electricity distribution companies is [Multan Electric Power Company \(MEPCO\)](#).

What is MEPCO (Multan Electric Power Company)

MEPCO is an electricity distribution company which is responsible for supplying electricity to the 13 districts of south punjab. These districts are as follows:

- Multan
- Bahawalpur
- Rahim Yar Khan
- Muzaffargarh
- D.G Khan
- Vehari
- Khanewal
- Lodhran
- Layyah
- Pak Pattan
- Bahawalnagar
- Rajanpur
- Sahiwal
