ABOUT BOOK The two-time Edgar Award–nominated author of *ON A QUIET STREET* and *THE VACANCY IN ROOM 10*, Seraphina Nova Glass, is back with *TOO CLOSE TO HOME*. Nothing in this idyllic community is quite what it seems... Those lucky enough to live in the elite lakefront community of Cloverhill Lakes are drawn to it for its safety and top-notch school district. The moms meet for coffee at the park while their kids play, they're heavily involved in the PTA, and the summers are filled with chardonnay, brunch, sundresses, and backyard bonfires. But everything changes when Regan Hoffman's car explodes at the annual Labor Day party. The wrong person is killed, but it was meant for her. As the carefully crafted walls of her community begin to crumble, Regan tries to keep it together—something made infinitely harder when she sees her dead husband...alive. When a Cloverhill Lakes resident suddenly goes missing, dark secrets begin to surface from underneath the idyllic veneer of their beautiful community—and the truth threatens to destroy them all as Regan finds herself in a fight for her life. The storytelling approach used in this book emphasizes clarity and intention. Each scene serves a clear purpose, advancing the plot or deepening understanding of the characters. This focus helps maintain narrative momentum throughout. Readers often appreciate the book's emphasis on emotional authenticity. Characters respond to challenges in ways that reflect genuine human experience, making their journeys more relatable. This realism strengthens reader connection.
