## Wicked Wicche (The Sea Wicche Chronicles #4)

Story Crafted by  
**Seana Kelly**

[Access Book Page](#)

Arwyn, our favorite artist and Sea Wicche, is trying unsuccessfully to deal with two new descriptors: murderer and mother. The gallery is open, and the sorcerer is gone. Arwyn and the whole Corey clan should be celebrating. Instead, they're mourning a huge loss and now dealing with the Council of Witches over a poisoning. Lessons have begun with Dad. All the things a little faeling should have already learned, Arwyn is now being taught. And just in time, as the queen—cryptically and rather terrifyingly—told Arwyn that she has plans for her. While trying to juggle all of that, and work on a huge... The book encourages readers to remain attentive by rewarding careful reading. Small details gain significance as the story progresses, adding layers of meaning to the narrative.
