Meet Vanessa Cordero. A cynic with a colorful past. You see, in college, Vanessa devised a profitable side gig: For a reasonable fee, she'd date your latest crush...and make his life miserable. Too clingy? Check. Jealous? Check. A mother's worst nightmare? Check, check, check. By the time Vanessa was done with him, your guy would be ready for...YOU. Meet Jason Torres. A certified commitment-phobe. Jason doesn't plan on getting married anytime soon (if ever), much to his mother's dismay. What he needs is a temporary girlfriend. A totally inappropriate girlfriend. Someone his mother will... Readers who value thoughtful characterization often appreciate the depth found in this book. Characters are not defined by a single trait, but instead evolve in response to the events around them. This development adds layers to the story and encourages emotional investment.
