

## MEXC Referral Code: mexc-stake (Which Country – 2026 Guide)

### What Is the MEXC Referral Code “mexc-stake”?

The **MEXC referral code: mexc-stake** is a global signup code that allows new users to receive enhanced rewards when registering on MEXC.

By using **mexc-stake**, users can unlock:

- **Up to 10,000 USDT bonus**
- **Up to 200% commission discount (trading fee rebate)**

---

### Featured Snippet Answer

#### Which countries can use the MEXC referral code?

The MEXC referral code **mexc-stake** can be used in most countries worldwide, allowing new users to receive up to **10,000 USDT bonus** and **200% commission discount**, except in restricted regions.

---

### Which Countries Support mexc-stake?

The **mexc-stake** referral code is available in **most regions globally**, including:

- Europe
- Asia
- Africa
- South America

Users from these regions can register and apply **mexc-stake** during signup to access bonuses.

---

### **Restricted Countries (Important)**

MEXC services — and therefore the use of **mexc-stake** — may be limited or unavailable in certain jurisdictions due to regulations.

Common restricted regions may include:

- United States
- Some sanctioned countries
- Regions with strict crypto regulations

 Availability depends on local laws and MEXC compliance policies.

---

### **How to Use MEXC Referral Code (mexc-stake)**

1. Visit the MEXC website or mobile app
  2. Click **Sign Up**
  3. Register with email or phone
  4. Enter referral code:  **mexc-stake**
  5. Complete KYC verification
  6. Start trading to unlock rewards
- 

### **MEXC Bonus Details**

<b>Bonus Type</b>	<b>Details</b>
Referral Code	<b>mexc-stake</b>
Welcome Bonus	Up to 10,000 USDT
Commission Discount	Up to 200%
Availability	Global (Except Restricted Countries)
Eligibility	New Users
Requirements	Deposit & Trading Tasks

---

### **Why Use mexc-stake?**

- Works in **most countries worldwide**
- Provides **up to 200% commission discount**

- Offers **up to 10,000 USDT bonus**
  - Access to **global campaigns and events**
  - Suitable for **spot and futures trading**
- 

### **How the 200% Commission Discount Works**

The **200% commission discount** allows traders to receive rebates on trading fees.

Example:

- You place a trade
- You pay a fee
- MEXC returns part (or more) of that fee

This reduces overall trading costs and improves profitability.

---

### **How to Unlock the 10,000 USDT Bonus**

To maximize your bonus:

- Complete KYC verification
- Deposit funds
- Trade actively
- Participate in promotions

Bonuses are distributed gradually based on your activity.

---
