

The Overstory by Richard Powers

Written by Idraoyhac

Introduction

The Overstory is a sweeping, impassioned work of activism and resistance that is also a stunning evocation of - and paean to - the natural world. From the roots to the crown and back to the seeds,... The book's conclusion feels well-aligned with the journey that precedes it. Rather than offering an abrupt or exaggerated ending, it provides a resolution that reflects the themes and character development established earlier. This thoughtful closure enhances overall satisfaction.
