It would take a perfect plan to collect a billion-dollar ransom. So here's the plan. Five members of a billionaire's family. In different locations. All kidnapped at the same moment. Two children taken from a private-school bus. A film producer and a movie star grabbed at a hideaway resort. A beautiful wife whisked off the streets of Beverly Hills. A patriarch wants his family back. The cash, gold, jewels, are crypto are all ready. There's only one problem: a brilliant, very stubborn FBI agent. Special Agent Nicky Gordon doesn't want to pay the kidnapers. Not a dime. The author demonstrates restraint in storytelling, choosing clarity and intention over excessive embellishment. This focus results in a narrative that feels purposeful and well-crafted.
