RETURN TO BLACKWOOD INSTITUTE. RUN BY THE INSANE, FOR THE INSANE. Monster. Victim. Predator. Prey. I've always been certain of one hard fact – I don't deserve to live. For all the pain and suffering I've inflicted, I tried to take the ultimate punishment. Anything to escape the horror of living with my crimes. Survival wasn't part of the bargain. The family I never intended to find are determined to keep me alive, but my mind has been turned against me. I don't know what's real anymore. When the devil comes knocking, I'm forced to confront the truth. Blackwood Institute is far from what it seems. Now, ... The book leaves readers with a sense of completion, having explored its ideas thoroughly without overextension. Its measured approach to storytelling ensures that each element is given appropriate attention. This balance enhances overall quality.
