

Never Too Late by Danielle Steel

Written by Idraoyhac

Introduction

An act of terror. A summer of change . . . Never Too Late is a stirring drama about the power of human connection and embracing brave change, from the billion copy bestseller, Danielle Steel. Following the death of her beloved husband, Kezia Cooper Hobson decides to leave her home in San Francisco and move to a luxury penthouse in Manhattan, where she'll be closer to her two adult daughters. As she watches the 4th July firework display from her terrace, Kezia is shocked to see smoke and flames pouring from famous landmarks across New York City. Her neighbour, the famous movie star Sam Stewart, is also aware of the crisis, and watches in horror as the terrifying drama unfolds. Determined to offer their assistance, Kezia and Sam hasten to the site and swiftly become involved in the rescue effort. Shocked and traumatized by the events they experience, Kezia and Sam bond in the days and weeks that follow one of the worst nights the country has ever known. What follows is a summer of healing and change, and the discovery that it's never too late for dreams to be born again . . .

Purpose of This Publication

This document is presented as an informational publication intended to provide general insight and educational context related to the subject matter. The content is designed for reading and reference purposes only.
