Written by Idraoyhac

Introduction

A ruthless bodyguard. A forbidden obsession. A dangerous game of fake dating with the Mafia. Lily I never thought I'd be involved with the Italian Mafia. My association with them has made me a target, so they've appointed one of their most ruthless to be my bodyguard. He pretends to be my boyfriend, but a man as cold-hearted as Lorenzo Moretti is not built for high society and will never receive my father's approval. Worse, he's getting too close to my secrets, my heart, and the seemingly perfect life I've built. Lorenzo Lily Taylor is my most difficult mission yet. She's spoiled, bratty, and intent on making my life a living hell. But the temptation of her curves and sharp tongue is distracting, making it hard for me to focus. Her safety is my priority. And I'm willing to take out anyone who compromises that safety—even her father. *This is a brand new stand alone dark romance based in the same world as Insidious Obsession*
