ZANDERS Chicago hockey isn't complete without me - everyone's favourite player to hate. I know my role, and I play it well. In fact, I thoroughly enjoy spending the majority of my game time in the penalty box before leaving the arena with a new girl on my arm each night. What I don't like is the new flight attendant on our team's private plane. She works for me, not the other way around. But I'll be sure to remind her of that, and I can guarantee, by the end of the season, she'll be begging to quit her job. But every road trip blurs the lines, and I can't quite figure out if I keep... The emotional impact of this book is strengthened by the author's ability to create believable relationships between characters. Interactions feel genuine, reflecting a range of human experiences and emotions. This realism helps readers become more invested in the outcome of the story, enhancing overall engagement.
