# TO US

A NOVEL

Dixie Mulligan only has one plan for her annual California vacation this summer – to tell her best friend Sawyer that she’s in love with him. It doesn’t matter that things between them technically fell apart over spring break, and they haven’t spoken since – until Dixie arrives and realizes Sawyer has moved on (a fact made very apparent when she sees him kissing, um, someone else). Luckily, Dixie and her family have each been gifted with a Rewind. All Dixie has to do is go back and redo the moment she thinks doomed hers and Sawyer’s relationship before it even began. But when family secrets start pouring out, Dixie’s not so sure even her Rewind will be enough to save what she and Sawyer had. Is the damage already done, or can she turn back the clock and give them one more chance?
