About The Anaconda Downstairs

The Anaconda Downstairs by Amy Award Book Cover

I can get any woman I want... and I do. So why is the one woman who is completely off-limits knocking on

my door? Someone (my meddling brothers) told her I'm the love guru. And she wants lessons in falling in love. Just not with me. Penelope is curvy, sassy, and my brother's fiancée's best friend. Totally forbidden fruit. But when she asks for dating lessons, I'm suddenly fumbling like a rookie. I thought love was supposed to hit like a linebacker—fast and hard. Instead, it's a slow burn that's got me breaking all my own rules. Somehow, I've got to tackle this problem without getting sacked by my overprotective brother. Oh, and there's an anaconda loose in my house. Because clearly what this situation needs is more complications. This sports romance features a super-supportive cinnamon roll football player who thought he knew it all when it came to love, a plus-size heroine who will school him while finally learning to love herself, and that Bridgertons-meets-American-Football family that'll have you wishing you were a Kingman... or a Kingman's Queen.

The Anaconda Downstairs has become one of the most discussed books in recent times. Author Amy Award delivers a compelling narrative that resonates with readers across the globe. This literary work stands out for its unique approach to storytelling and profound insights.
