THE
GLASS
MAKER

A Novel

TRACY
CHEVALIER

New York Times Bestselling Author

From the bestselling historical novelist, a rich, transporting story that follows a family of glassmakers from the height of Renaissance-era Italy to present day. It is 1486 and Venice is a wealthy, opulent center for trade. Orsola Rosso is the eldest daughter in a family of glassblowers in Murano, the island revered for the craft. As a woman, she is not meant to work with glass—but she has the hands for it, the heart, and a vision. When her father dies, she teaches herself to make beads in secret, and her work supports the Rosso family fortunes. Skipping like a stone through the centuries, in a Venice where time moves as slowly as molten glass, we follow Orsola and her family as they live through creative triumph and heartbreaking loss, from a plague devastating Venice to Continental soldiers stripping its palazzos bare, from the domination of Murano and its maestros to the transformation of the city of trade into a city of tourists. In every era, the Rosso women ensure that their work, and their bonds, endure. Chevalier is a master of her own craft, and *The Glassmaker* is as inventive as it is spellbinding: a mesmerizing portrait of a woman, a family, and a city that are as everlasting as their glass.

The Glassmaker has become one of the most discussed books in recent times. Author Tracy Chevalier delivers a compelling narrative that resonates with readers across the globe. This literary work stands out for its unique approach to storytelling and profound insights.
