HARLEY LAROUX

Like *Buffy* or *The Vampire Diaries* but with tons more spice, a titillating fork-tongued demon, and a ritualistic monster cult, the edgy dark romance that set TikTok on fire is now here as a special edition with bonus content for fans of Scarlett St. Claire, Penelope Douglas, and Katee Robert. The demon didn't just want my body. He wanted my soul. My reputation among magicians is unblemished. Killer, they call me; killing is what I'm best at. One wrong move and you're dead. Except her. The one I was supposed to take, the one I should have killed. The cult that once controlled me wants her, but I'm not about to lose my new toy to them. I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient—something evil—is waking up . . . and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body—he wants my soul.
