FUNNY YOU SHOULD ASK

ELISSA SUSSMAN

From the bestselling author of *Funny You Should Ask* comes an inspiring romance novel about honoring the past, living in the present, and loving for the future. In her small Montana hometown, Lauren Parker has assumed a few different roles: teenage hellraiser; sister of superstar Gabe Parker; and most recently, tragically widowed single mother. She's never cared much about labels or what people thought about her, but dealing with her grief has slowly revealed that she's become adrift in her own life. Then she meets the devilishly handsome actor Ben Walsh on the set of her brother's new movie. They have instant chemistry, and Lauren realizes that it has been far too long since someone has really and truly seen her. Her rebellious spirit spurs her to dive headfirst into her desire, but when a sexy encounter becomes something more, Lauren finds herself balancing old roles and new possibilities. There's still plenty to contend with: small-town rumors, the complications of Ben's fame, and her daughter's unpredictable moods. An unexpected fling seemed simple at the time—so when did everything with Ben get so complicated? And is there enough room in her life for the woman Lauren wants to be? Alternating between Lauren's past with Spencer and her present with Ben, *Totally and Completely Fine* illuminates what it means to find a life-changing love and be true to oneself in the process.

Totally and Completely Fine has become one of the most discussed books in recent times. Author Elissa Sussman delivers a compelling narrative that resonates with readers across the globe. This literary work stands out for its unique approach to storytelling and profound insights.
