#### Book Summary

Hundreds of years before the Illum ruled supreme, humanity risked everything to rebuild after a devastating war in this explosive dystopian romance and prequel to *Conform*. Twenty-three-year-old... The writing style supports sustained engagement by maintaining clarity and flow. Sentences are structured to be easily understood, allowing readers to focus on the story rather than deciphering the text. The book offers a satisfying blend of introspection and narrative movement. Reflective moments are balanced with plot development, ensuring that the story continues to move forward. This balance keeps readers engaged from start to finish.
