## Change of Hart by Bailey Hannah

Written by Idraoyhac

A man in a cowboy hat and white shirt stands in a field with mountains in the background. The scene is captured in a painterly style with a blue and green color palette. The man is wearing a brown cowboy hat, a white short-sleeved button-down shirt, and blue jeans with a large gold belt buckle. He has his arms crossed and is looking down and to the right. The background features rolling green hills and a clear blue sky.

She spent years trying to forget.  
He'll do anything to make her  
remember.

## Introduction

In this spicy romance from the author of *Alive and Wells* and *Seeing Red*, a jaded woman reluctantly returns to her hometown—and to the cowboy who broke her heart and drove her away. She spent years trying to forget. He'll do anything to make her remember. Wells Canyon is the last place Blair Hart wants to be. Yet when her mother falls ill, she has no choice except to return to the hometown she's avoided for over a decade. In a town so small, she knows there's no way she can avoid the cowboy who tore her life to pieces all those years ago, but that doesn't mean she's prepared for the way Denver Wells can turn back time with a single smile. Since Denver's world came crashing down thirteen years ago, he's somehow managed to keep his demons at bay...that is, until Blair Hart's return knocks him from his saddle. But if he wants her back, he'll have to prove he can be the man she needs—the same one she used to love. Throwing herself into the role of caregiver, Blair doesn't have the time to sift through their messy history even if she wanted to. And Denver's going to need a lot more than his usual cowboy charm to convince Blair he's worth a change of heart. Don't miss any of Bailey Hannah's steamy *Wells Ranch ALIVE AND WELLS* • *SEEING RED* • *CHANGE OF HART*
