AN INTERACTIVE MYSTERY NOVEL

YOU'VE BEEN
SUMMONED

LINDSEY LAMAR

Everyone's a suspect. You're the detective.
You've been summoned to
Sophomore Manor.

Introduction

A suspicious host. A skeptical guest list. A historical manor. Everyone's hiding something. It's up to you to solve the mystery in this interactive puzzle. During a long weekend in March, a group of twentysomethings from Virginia meet for an overnight costume party. For their venue, the host has rented the historical Sophomore a place where the most prestigious socialites of the 1940's and '50s partied until the celebrity owners mysteriously went missing. The event began innocently enough: cocktail toasts, elaborate costumes, and exchanged pleasantries. But at the height of the party, Jane Parks notices her twin has vanished from the scene. It isn't until Jane finds her sister's body that the real guessing game begins. That's where you come in. It's up to you, detective, to expose a present-day link between the victim, the guest list, and Sophomore Manor's unsolved history. This interactive novel casts the reader as the detective. With integrated clues to examine and entangled interviews to analyze, the reader must make a case in this whodunit novel turned criminal investigation.
