A Resistance of Witches by Morgan Ryan

Written by Idraoyhac

Introduction

A historical fantasy debut set against the backdrop of World War II, where a witch journeys to find a book of unspeakable power before it lands in Nazi hands. Stubborn, plainspoken, and from an unimpressive

family, Lydia Polk never expected to be accepted into the Royal Academy of Witches. Now, with Hitler's army rampaging across Europe, the witches of Britain have joined the war effort, and Lydia is key to the cause: she must use her magic to track down magical relics before Hitler and his sycophants can. Then a Nazi witch infiltrates the Academy with heart-breaking consequences, leaving the coven shaken, exposed, and divided. The elder British witches have no interest in further loss of coven life in service of a government that has forced them into hiding for generations. But with the discovery of the Grimorium Bellum, an ancient book that leaves a trail of death and destruction wherever it goes, Lydia knows her mission has never been more urgent. Alone and woefully outnumbered, Lydia makes her way to the heart of occupied France, where she finds allies in Rebecca Gagne, a fierce French resistance fighter with a secret, and Henry Boudreaux, a handsome Haitian American art historian with a little magic of his own. Together, they traverse the country, stalked by the natural and supernatural alike, in search of the grimoire. But, as Lydia soon discovers, finding the book is only half the battle the Grimorium Bellum itself has a dark agenda. Lydia must subdue it before the witches of the Third Reich can use it—but she'll have to survive the book herself first.

Purpose of This Publication

This document is presented as an informational publication intended to provide general insight and educational context related to the subject matter. The content is designed for reading and reference purposes only.
