### ***About the Book***

Anna is looking forward to her senior year in Atlanta, where she has a great job, a loyal best friend, and a crush on the verge of becoming more. Which is why she is less than thrilled about being shipped off to boarding school in Paris--until she meets Étienne St. Clair. Smart, charming, beautiful, Étienne has it all...including a serious girlfriend. But in the City of Light, wishes have a way of coming true. Will a year of romantic near-misses end with their long-awaited French kiss? The book's structure supports a smooth reading experience by clearly establishing its central ideas early on. As the story progresses, these ideas are revisited and expanded in meaningful ways. This layered approach gives the narrative a sense of depth, rewarding readers who pay close attention to recurring motifs and themes throughout the book.
