Introduction

From Amazon charts bestselling author and award-winning, Monica Arya comes the much-anticipated sequel of THE FAVORITE GIRL.. Welcome to Ivory Island where all of your deepest and darkest desires can come true... In life, it's always the goal to be the most loved, respected and adored. The favorite, if you will. However, Demi Rao has realized that being the favorite isn't always a dream come true. Being the favorite can be your worst nightmare. After barely escaping, Demi finds herself at the gorgeous, one-of-a-kind, exclusive resort run by her former psychopath boss, Dr. Ivory's younger brother. As she begins her new job, she knows that the ocean-views and amenities are all a façade. The resort has an all-inclusive experience not limited to food and drinks but rather a sick and twisted way to fulfill everyone's wildest dreams and fantasies without judgement. Couples are carefully selected and invited, some go missing, and others are found tied up... Demi can't live with herself if she doesn't find a way to end the Ivory family once and for all. The only problem is she may go from the favorite girl to the caged girl if she's caught. And once you're in the gilded cage, you'll never get out.
